REPORT OF THE SCHOOL BOARD,

FOR THE YEAR ENDING MARCH 1, 1893.

At the annual meeting of the district, held in March, 1892, Edward P. French was re-elected a member of the school board for three years. They organized with the choice of Frank H. Rowe for president, William F. Conner treasurer, and Edward P. French secretary. The supervision of the different schools was divided as follows: Dr. Rowe to have charge of Nos. 1, 2, 6 and 7; Mr. Conner, Nos. 8, 9 and 10; Mr. French, Nos. 3, 4 and 5; and aside from these special visits, each one has been expected to visit the other schools once during the year.

We have employed fifteen different teachers for the year; of these, six have taught the entire year, Misses Emerson, Way, Walker, Jenness and Parkhurst in the same school; Miss Holbrook has taught for the year, but in different schools. Five of the teachers taught for the first time, the rest had taught before, and some had considerable experience. The teachers, with but few exceptions, have labored hard for the success of the schools, and have given general satisfaction. Mr. Tarbell taught the winter term at No. 8, and gave universal satisfaction. This was his first term as teacher, and he certainly did himself credit. There have not been as many changes of teachers this year as usual.

Taken as a whole, we think the past year has been a prosperous one for the schools, and that good improvement has been made, although the discipline in some has not been what we would like to have it.

There has been but little disturbance in the schools the last year. The committee has been called upon but twice to adjust any difficulty, and these were promptly and satisfactorily settled both to parents and teachers.

There have been thirty weeks of school in all of the districts except No. 1, which had three weeks extra, it being due them from last year. The schools close this year with all the extra time made up. It has been the aim of the school board to elevate the standard of the schools, and in order to do so there are certain essentials, among which are good teachers and unity

of effort. The parents should co-operate with the board and teachers, that they may be able to raise the standard and make the schools more successful.

The school houses Nos. 1 and 6 have been painted outside the last year by your agent, to whom the repair fund of \$52.80 was paid over according to the vote of the district. Other repairs are needed the coming year. Nos. 7 and 8 should be painted outside; and at No. 7 a new shed and outbuildings, or the old ones repaired. The sanitary conditions at this school are bad, and cannot well be improved without new buildings. There are also some repairs needed at Nos. 6 and 9, the plastering having fallen from overhead, and should be repaired before school commences again.

Your committee would recommend that the reading books be changed before the commencement of another school year, as those in use have become so familiar to the scholars that they are losing their interest in reading.

Text books and other supplies have been purchased to the amount of \$79.46. This expense will be more the coming year, should a change be made in reading books. The books in the schools are generally well used.

The attendance has been somewhat better the last year, but not quite what it should be. No. 3, taught by Miss Walker, has the best register, it having the least number of absent and tardy marks for the year. The whole number of scholars registered is 193; of these 97 are boys and 96 are girls, three more than last year.

From the treasurer's report it appears that the whole amount expended for teachers, fuel and other necessary expenditures is \$2263.99, an average of \$11.58 per scholar. The whole amount of school money was \$2219.01; amount received for tuition \$15.00, and the amount remaining from last year was \$86.09, making \$2320.10, in all a balance of \$46.11 remaining in the hands of the treasurer. We would recommend that the town raise \$700.00 or more extra school money.

FRANK H. ROWE,
WILLIAM F. CONNER,
EDWARD P. FRENCH,

School Board of Bedford.

PUBLIC LIBRARY.

At the town meeting held March 12, 1892, the town accepted the provision of Public Statutes of New Hampshire, 1892, Chap. 8, Sections 21-26; and elected as trustees for one year, A. D. Smith, John A. Riddle and George M. Davis.

The trustees at once set to work, and circulated a paper among the subscribers of the old library to give their interest in the old library to the town. Nearly all readily gave their share to assist the new enterprise. Many volumes of the old library are missing, and the trustees hope that any having such books, will return them to the librarian.

In August Rev. Mr. Smith removed from town and thereby our board was weakened. In the latter part of December, '92, the new books arrived, 105 volumes. The work of preparing them for distribution was done by some of the ladies.

The library was first opened to the public Feb. 16, '93, Mr. Jasper P. George acting as librarian. We hope that the people of the town will avail themselves of the opportunity of taking books, and that the library "will not die an early death," for want of patronage.

Our thanks are due to those who kindly assisted us in arranging and getting the books in readiness for distribution.

Respectfully,

GEO. M. DAVIS.

Following will be found a catalogue of the books :

TITLE.	AUTHOR.
1. Little Folks in Feather and Fur,	Olive Thorne Miller

SILAS A. RIDDLE, Town Clerk.

F. L. WALLACE & CO.,

✧ PRACTICAL ✧

UNDERTAKERS AND EMBALMERS

Manchester, N. H.

We keep constantly on hand everything needed in the

UNDERTAKERS' BUSINESS,

From the Common Coffin ➤

➤ to the Finest Casket Made.

We have the only large assortment of

CLOTH • COVERED • CASKETS

To be found in the City, and our Prices are the Lowest.

A large assortment of

Gents' and Ladies' Robes

CONSTANTLY ON HAND.

Remember we deliver our goods in the adjoining towns
and render any assistance FREE OF CHARGE.

F. L. WALLACE.

A. G. FAIRBANKS.

Home, Sweet Home.

We are now located in our New Building, on the same site where we have carried on a successful Hardware business for nearly fifty years.

The new Varick Building is substantial and modern in every respect, and is pronounced by the trade to be one of the best adapted buildings for the Hardware business to be found in the United States.

We shall continue to occupy the Storehouse adjoining, and the combined buildings will give us a floor surface of over 60,000 square feet.

As we have room enough for storage purposes we are enabled to purchase our goods in immense quantities and thus obtain the very lowest market prices.

We extend to all our friends a cordial invitation to look us over.

The John B. Varick Co.,

VARICK BUILDING,

MANCHESTER, N. H.
